## **Discover Lowe Mill Arts & Entertainment**

Immerse yourself in a world of local art with a guided tour through the Nation's largest privately-owned arts facility! Peek in and see what Huntsville artists have to share in the way of pottery, paintings, and even whiskey! With designated stops, your guide will assist you in meeting some of our most creative creatives.

**First Stop:** Visit one of the Northern Hemisphere's only Cigar Box Guitar stores! This playable art includes acoustic and electric cigar box bass guitars, amps, and tambourines. If you've never tried it, here's your chance!

**Second Stop:** Just as a spacecraft vibrates, so do guitars. Tour the workshop of a rocket scientist who makes some of the most beautiful collectible guitars and mandolins. Hear his story and see what makes his guitars so unique! *(Featured on Samantha Brown's Places to Love on Create TV)*

**Final Stop:** Meet an international artist trained as a cartographer by the British Government's Military Survey mapping agency who creates one-of-a-kind and very personal body art by drawing directly on the skin! David Nuttall designs plausible fictitious maps using the human body's natural shape and other surfaces to create terrain, roads, bodies of water, and anything else you might find on an actual map. *(Featured on Samantha Brown's Places to Love on Create TV)*
